ONE-STOP PARTNER

**IN SMART, SUSTAINABLE
PACKAGING TAPE SOLUTIONS**

PACKSEAL™ PREMIUM (13mm /15mm)

- PACKSEAL PREMIUM is a high-strength, wide adhesive sealing tape known for its superior quality and best-in-class performance.
- Available in 15mm and 13mm widths, each roll offers a 1000-meter length with a 4mm adhesive strip, and each box contains 20 rolls.
- Suitable for use on printed, plain, or various plastic bags - except for thin gauge LDPE bags.
- This range is also offered as Plain Tape (without any printed branding) & on a Right Side-Tape (no need to reverse your film during application).

PACKSEAL™ PERMANENT

- PACKSEAL PERMANENT is specifically engineered with a white plain film, ideal for use in master bags, money pouches, and other security packaging applications.
- It is available in 12mm, 15mm, and 18mm widths, each roll offering a continuous length of 500 meters.
- Each box contains 10 rolls.
- Once applied, the seal is tamper-evident and cannot be reopened without visible damage.

PACKSEAL™ 15 MM (bedline)

- Available in 15mm width, with each roll offering 1000 meters in length.
- Adhesive width: 8mm*
- Each 15mm box contains 20 rolls.
- Ideal for 50 micron BOPP bags and Super LD bags.
- Features high adhesive strength.
- Especially suitable for Super LD applications.

PANAMAX PLATE MOUNTING TAPE

- Designed for precision plate mounting in flexographic and letterpress printing.
- Ideal for carpet tiling and accurate plate positioning in flexo applications.
- Suitable for reinforcing conveyor belts and other heavy-duty uses.
- Removes cleanly without leaving any residue.
- Peels off in one piece - no tearing, no residue traces.

PANAMAX BOPP TAPE (Transparent/Brown)

- BOPP Tape is coated with high-quality water-based adhesives, ensuring strong adhesion for secure packaging applications.
- Ideal for lightweight packaging needs.
- Available colors: Brown and Transparent.
- Guaranteed film thickness: 42, 45, and 55 microns.
- Guaranteed roll lengths: 45, 100, and 130 meters.
- Machine roll lengths of 200 and 650 meters also available.
- Enhance your brand with custom printing on tape.
- Fastest delivery timelines.

PACKSEAL™ SUPER (15mm)

- Best for 50 Micron BOPP Bags* and also suitable for Super LD & Thick Gauge bags*.
- Each box contains 10 rolls in packing with the adhesive size 7mm.
- PACKSEAL SUPER is a strong, wide adhesive and finest quality product and best-in-class.

PACKSEAL™ PREMIUM (OPP LINER) For LDPE Bags

- This range is available in 15mm and 13mm widths, with each roll offering 1000 meters in length.
- Optimized for bags under 200 micron thickness, it is ideal for high-duty applications.
- Each roll contains 15 rolls.
- The specially designed OPP liner ensures compatibility with various types of LDPE bags.
- Unlike most containers, it allows for opening and resealing without tearing the LDPE bag.

PACKSEAL™ 9 MM

- This range is available in three widths with a roll length of 1000 meters.
- Each box contains 30 rolls, making it a highly economical option.
- Ideal for small-sized bags such as jewelry baggies, pouches, and other compact packaging.
- The material is packed in distinctive yellow-colored boxes for easy identification.

PACKSEAL™ DOUBLE REDLINE (12mm/13 mm)

- PACKSEAL DOUBLE REDLINE is a strong, wide adhesive of the finest quality - best-in-class.
- Adhesive width: 6mm.
- Suitable for use on printed, plain, or any plastic bags, except thin gauge LDPE bags.
- Each box contains 20 rolls.

PACKSEAL™ + (13 mm)

- PACKSEAL+ is available in 13mm width and 1000m length per roll.
- Specially designed with extra adhesive, thicker gauge, and heavier weight.
- Suitable for all types of PP and BOPP bags.
- Comes in Green-colored boxes.
- Also available as a RIGHT SIDE Tape (no need to reverse your film).
- Each box contains 20 rolls.

SEAL SMARTER. PACK STRONGER.

PANAMAX presents a super advanced and comprehensive range of adhesive sealing tapes engineered to meet the diverse demands of modern packaging. Designed for optimal performance across industrial usage and customized packaging applications, the tapes combine high-tack adhesion, tensile strength, & non-conscious material options to ensure secure and sustainable sealing. The range offers tailored branded options, making it ideal for those seeking both functionality and visual identity. With PANAMAX, businesses benefit from superior quality, operational and delivery efficiency with cost-effectiveness.

PACKSEAL™ 19 MM (bedline)

- Available in 19mm width with a roll length of 1000 meters.
- Adhesive dimensions: 19mm x 19mm.
- Each box includes 10 rolls.
- Equipped with a red-line release liner for easy identification.
- Ideal for larger and thicker gauge bags.
- Compatible with PAC bags.
- Highly recommended for Super LD applications.

PANAMAX CROSS FILAMENT

- Tape with PET film backing and cross-woven fiber glass filament, coated with hot melt adhesive for outstanding adhesion - ideal for heavy packaging and handling applications.
- Best suited for heavy-duty packaging.
- Thickness: 100 microns.
- Length options: 25 / 50 meters.
- Width options: 12 / 24 / 48 mm.
- Cost-effective alternative to metal and polypropylene crimping.

PANAMAX HDPE TAPE

- High-Density Polyethylene (HDPE) Tape is a strong, durable plastic-based material.
- Highly resistant to chemicals, moisture, and impact, making it ideal for various industrial applications, especially in the HIBC bag industry.
- Thickness: 125 microns.
- Length: 50 meters & width: 48 mm.
- Available colors: Red, White, Black and Blue.

PANAMAX BOPP TAPE (Super Clear)

- Super Clear BOPP Tape is coated with a special quality adhesive, offering a highly transparent, see-through finish.
- Available color: Super Clear.
- Guaranteed film thickness: 42 and 45 microns.
- Excellent tear strength with long-lasting adhesion.
- Guaranteed roll lengths: 50 and 65 meters.
- Reliable and timely delivery.

PMX BOPP TAPE (Lam Nylon)

- PMX BOPP Tape is specially designed for environments where water reduction is important.
- Coated with a premium adhesive and a modified base film, it ensures soft, smooth, and quiet unwinding during application, making it perfect for office, warehouse, and packaging lines.
- Bag Film Modified for a smooth and quiet release.
- Color Available: Transparent
- Guaranteed film thickness: 42 and 45 microns
- Guaranteed roll lengths: 50 and 65 meters
- Exclusive Delivery Timelines*
- Ideal for applications where a silent and efficient packaging experience is needed.

PACKSEAL™ 11 MM

- This range is available in a width of 11mm with a length of 1000 meters per roll.
- Each box contains 20 rolls, offering excellent value.
- It is highly economical and ideal for use with mid-weight BOPP bags and plain bags.
- The material is packaged in yellow-colored boxes.

PACKSEAL™ PLUS (12mm)

- PACKSEAL PLUS is available in 12mm width and 1000m length per roll.
- Each box contains 20 rolls.
- Economical and ideal for PP and BOPP bags.
- Comes in Pink-colored boxes.

PANAMAX ECO-FRIENDLY KRAFT TAPES

Panmax proudly presents Eco-Friendly Kraft Tapes - a sustainable, strong, and smart choice for all your packaging needs. Made from recyclable Kraft paper with natural adhesives, our tapes offer excellent sealing strength, easy handling, and a clean, natural finish. Perfect for cartons, parcels, and creative packaging, they help you pack responsibly while maintaining quality and style.

KRAFT PAPER TAPE

- Kraft paper-based packaging tape for strong and secure sealing.
- Suitable for heavy carton packaging.
- Eco-friendly alternative to plastic-based tapes.
- Thickness options: 100 / 120 / 140 microns.
- Roll length: 50 meters.
- Machine rolls also available.
- Branding/Printing possible in up to 3 colors.
- Adhesive type: Hot melt.
- Color: Brown.
- Ideal for sustainable and heavy-duty packaging needs.

WATER ACTIVATED PAPER TAPE (Reinforced)

- Panamax reinforced, water-activated Kraft paper tape for highly secure packaging applications.
- Eco-friendly Kraft paper base material.
- Reinforced with glass threads for added strength.
- Printing option available for brand enhancement.
- Provides very strong and secure adhesion to carton boxes.
- Tape length available: up to 50 / 65 meters.

CREPE PAPER TAPE

- Crepe paper-based packaging tape Secured and strong packaging
- Anti-slippery paper surface for better grip
- Eco-friendly solution
- Thickness: 125 microns
- Roll Length: 50 meters (Machine roll also available)
- Possible Branding/Printing: Up to 3 colors
- Adhesive: Rubber-based Color: Brown

WE MAKE THINGS STICK

MANUFACTURER OF
HIGH-PERFORMANCE
ADHESIVE TAPES

SINCE
1996

*Bonding Innovation, Strength, and Reliability,
'Panamax' - a trusted partner in Adhesive Tape Solutions.*

Established in 1996, Panamax Limited has emerged as a trusted leader in adhesive tapes solution. Specialised in manufacturing customized products, the company serves diverse industries, including Automotive, Electronics, Construction, and Renewable Energy. Renowned globally, Panamax is recognized for its unwavering commitment to innovation, quality, and precision.

With certifications such as ISO 9001:2015, ISI, and RoHS, Panamax's products adhere to the highest quality standards, delivering exceptional performance. The company prioritizes customer success by ensuring timely delivery, unmatched quality, and strong partnerships, exemplifying its mission to foster mutual growth and excellence.
